Volunteer Considerations

- Signups are for a single position only
 - Chaperone != Uniforms != Roadie != Plume Wranglers
- Except for plume wranglers, you are welcome to volunteer for any position
 - Plumes (\$\$) handled by specially trained volunteers only
- Children are not permitted to volunteer for tournament events
 - Safety
 - Distraction
- Former students may volunteer with special permission

Volunteer Considerations (II)

- **Volunteers MUST sign up! (Even “regulars”)**
 - Goal is to get the correct number of volunteers
 - Limited space
 - Limited field access
 - Limited ability to direct activities
- **Please sign up early. Don't leave us hanging.**
- **If your circumstances change, please cancel your signup.**

Volunteer Role

- KR is a SMHS activity. Responsibility for student welfare and discipline rests with the Music Directors
 - MOST disciplinary matters will be handled by the Directors, Staff, or KR Leadership without parent volunteer involvement.
 - The Directors may explicitly identify parent volunteers to assume limited disciplinary roles.
 - ANY parent is encouraged to step in in the case of a clear physical danger to any student.
 - Volunteers will report discipline issues to the KR leadership for further action.

Volunteer Role (II)

- Volunteers do what the students can not do for themselves
 - Safety Concerns
 - Time constraints
- Students are expected to do as much as possible to support and run their own program!
